

ALUMINIUM

TELECOMMUNICATIONS LADDER

TRIPLE EXTENSION PUSH-UP LADDER

- ✓ Certified to BS2037 Class1
- ✓ Unique aluminium 'butterfly' rung provides excellent balance and support at the top of the ladder
- ✓ Specifically designed for British Telecom linesmen, this ladder is ideal for working on telegraph poles and street lamps
- ✓ Fitted with a double safety catch and a lashing rope to ensure safety when in use
- ✓ Nylon rollers fitted to the bases and middle sections enable the operator to erect the ladder with the minimum of effort
